- Adult Programs: Medicaid plans for Elderly, Blind or Disabled provide health care for those who are age 65 or older, blind or disabled. The Medicaid plan you are enrolled in depends on your income, assets, and type of care you need.
- Programs for Children: BadgerCare Plus for Children and Families. All children under 19 years old, at all income levels, can enroll in BadgerCare Plus.
- Medication Programs: SeniorCare Prescription Drug Program A prescription drug assistance program for Wisconsin residents who are 65 years of age or older.
- Additional Programs: BadgerCare Plus also covers: Parents and caretakers at higher income levels.

#### **Health Reform Status**

Exchange: The federal government will run the health insurance exchange in Wisconsin.

Medicaid: It is not known at this time whether the state will expand Medicaid eligibility.
