

## **November education call aims to increase diabetes awareness**

Diabetes is one of the primary causes of Chronic Kidney Disease. November is Diabetes Awareness month, which provides the perfect opportunity to further education on the disease and how it can affect your kidney health. Join us Monday, November 2 at 3:00 PM to hear a discussion on ways to manage diabetes to stay as healthy as possible. The call can be viewed online by visiting [www.dpcedcenter.org/education-calls](http://www.dpcedcenter.org/education-calls) or by phone at 1-877-388-5186 conference code: 433-459-5474.
